

STEDHAM WITH IPING PARISH COUNCIL (SIPC)

STEDHAM WITH IPING NEIGHBOURHOOD PLAN

Work is continuing with the Neighbourhood Plan. The plan's policies, visions and objectives are now being drafted while the evidence papers are almost completed.

It is hoped the Plan will go out for Public Consultation in the parish later on in January when there will be drop-in events at the Memorial Hall. We will be making a whole parish delivery with dates of these events and it will contain another short questionnaire so you can fill in your thoughts on what we have produced and more importantly give us your ideas too.

We are greatly looking forward having parishioners taking ownership of the Stedham with Iping Neighbourhood Plan.

WINTER PLAN

Just a reminder to say that the Winter Plan can be seen on our website.

In the event of snow, Iping Lane, Elsted Road and Minsted Road will be snow ploughed and gritted as will The Street and School Lane and the lay-by for the School walking bus.

We have salt/grit bins at Ingrams Green Road; on Iping Lane opposite New Cottages and at Stubb Hill; two at Common View: one near the junction by the flats and one by the garages opposite 100 Common View. These salt bins are only for use on the highway and not for private drives. The salt should be used sparingly.

In the event of a prolonged period of bad weather with snow, flooding and power cuts, please make sure you have the At Risk card to hand so that you can ring your volunteer for help if you need it.

We have received the following information from the electricity company if you have a power cut:

- Call 105 to report power cuts and damage to the electricity network, or 0800 3163 105 (from a corded phone or mobile phone if you have no power)
- Visit www.ukpowernetworks.co.uk for the latest updates

Rowly Page is our Emergency Officer and he can be contacted on 816184 or 0781 843 4286
