

STEDHAM WITH IPING PARISH COUNCIL (SIPC)

The Parish Council's page for September can be seen on our website (address below)

20 mph in School Lane: As we were unsuccessful with our application for a 20 mph limit in School Lane, the school has been advised to investigate a "school safety zone".

Recreation Ground verge: We are now in the process of trying to obtain funding for the parking project.

It has become apparent that residents are parking their cars on a semi-permanent basis in this area which does spoil the look of the village green. Can we please remind all villagers that this verge is to be used for **TEMPORARY PARKING ONLY**. We are upgrading it to provide much needed extra parking for when there are events at the Memorial Hall and the Church.

ST JOHN'S AMBULANCE FIRST AID TRAINING

The parish council is intending to arrange a training evening in November for all who are interested in learning first aid and CPR. If there are enough parents or grandparents who are interested, we can arrange for the training to include first aid for babies and young children. It would be helpful if you could let the Clerk know if you are interested in attending the training.

ONGOING MATTERS

Litter Bins: The new litter bins are ready to be installed on the Recreation Ground and near the School. The old bin will be given to the sports club.

Iping signs: The signs should be installed on 16 November.

Stedham Lane flooding: The Parish Council has been given WSCC Watershed grants to alleviate the flooding near Meadowhills and at Bridgefoot Cottages. The work is due to be undertaken in November.

Flooding south of Stedham Bridge: We are waiting hear if our application for a Watershed grant is successful.

Durand Academy: The planning application for temporary classrooms at the St Cuthmans site was made and SIPC's response can be seen on the SDNPA website under planning reference SDNP/16/02217/FUL. We believe the application will be considered by the SDNPA Planning Committee on Thursday 13 October 2016.

Stedham Common: The Planning Inspector has given Sussex Wildlife Trust permission to fence Iping Common.
